# **PRESIDENT'S WELCOME**

Welcome to the 2022 Focus On Furniture Junior Top Guns, there were a few false starts and the event is a little later than normal but better late than never.

This event will also serve as the official opening of the new track, built after the Club was successful in securing a \$500,000 grant from the Victorian Government's Community Motorsport Program.

With four different track layouts, the longest being 1056m, we now have a truly national standard facility that sets the Club up for continued success long into the future.

I would like to thank our major sponsor Focus On Furniture as well as all of our other sponsors, without their support we would not be able to put on these events. Please support them whenever possible, some of them will be at the track this weekend to provide help if needed.

I hope that you enjoy the event and that the racing is competitive, friendly but most of all fun.

Rafe Todd  
President

## **RACE FORMAT**

## **JOUST RACEWEAR**

Born and bred in Melbourne Australia, Joust Sports has grown continually since it's humble beginnings in 1995. Since day 1 we've made it our mission to work with athletes to supply them with only the best performing products. The amazing growth in our business came as the result of a few key factors. Back in the late 90's we began engineering our own speciality fabrics. To this day nothing hits the market without being worn and tested by our athletes world wide. In-house production is our other key point of difference. We design. We cut. We sew. We print. We decorate. We do it all, right here in our facilities in Melbourne.
